Cart:

The screenshot shows a web browser window with the URL zoemtz.github.io/sweetleaf-co/cart.html. The page title is "Your Cart". The cart contains two items:

Item	Price
Sir Earl Grey	\$6.49
Calm Chamomile	\$4.99

Total: \$11.48

Buttons at the bottom include "Proceed to Checkout" (orange) and "Clear Cart" (red outline).

Checkout and Confirmation:

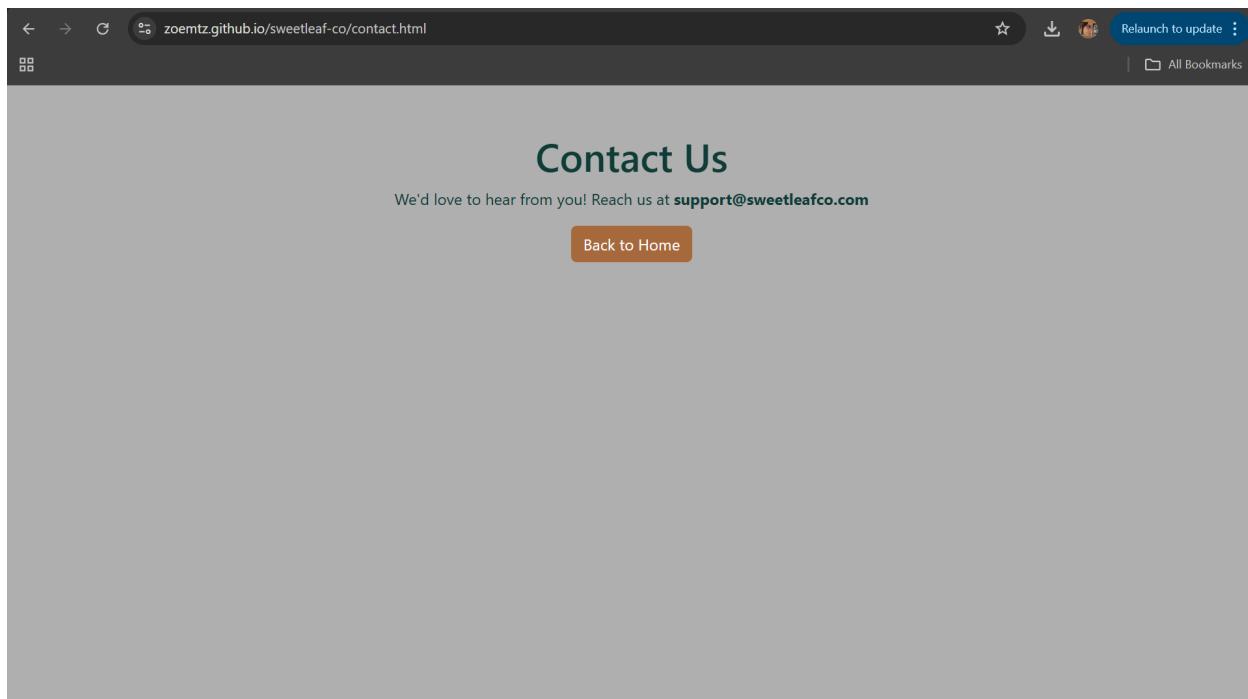

A screenshot of a web browser window displaying a checkout form. The URL in the address bar is `zoemtz.github.io/sweetleaf-co/checkout2.html`. The page has a dark header with a logo and navigation links. Below the header, the word "Checkout" is centered in a large, bold, dark green font. The form fields are arranged vertically:

- Full Name:
- Email:
- Shipping Address:
- Payment Method:
-

A screenshot of a web browser window displaying a confirmation message. The URL in the address bar is `zoemtz.github.io/sweetleaf-co/order_confirmed.html?`. The page has a dark header with a logo and navigation links. The main content is centered and includes:

- A large, bold, dark green "Thank You!" heading.
- A smaller text message: "Your order has been placed successfully."
- A message: "You'll receive a confirmation email shortly. We appreciate your support of Sweetleaf & Co."
- A button labeled "Back to Home" at the bottom.

Log in:

The screenshot shows a web browser window with a login form. The URL in the address bar is `zoemtz.github.io/sweetleaf-co/login.html`. The page title is "Login". The form has fields for "Username or Email" and "Password", both empty. Below them is a "Login As:" dropdown menu with the option "Choose one" selected. A large orange "Login" button is at the bottom.

This screenshot is identical to the one above, but the "Login As:" dropdown menu is now open, showing three options: "Admin", "Choose one" (which is highlighted in blue), and "Customer".

Admin Credentials:

Username: admin

Password: admin123

Admin Dashboard:

The screenshot shows a web browser window with the URL zoemtz.github.io/sweetleaf-co/admin_index.html. The page title is "Admin Dashboard". Below the title, a subtitle reads "Manage all tea products and view incoming orders.". There are two buttons at the bottom: "Manage Products" (brown) and "View Orders" (orange). The browser's address bar also displays the same URL.

Product Management:

The screenshot shows a web browser window with the URL zoemtz.github.io/sweetleaf-co/admin_product.html. The page title is "Manage Tea Products". Below the title, a subtitle reads "Add, edit, or remove teas from your shop.". A table lists a single product: "Mint Meadow" with a price of "\$5.99" and 20 units in stock. The "Actions" column contains "Edit" and "Delete" buttons. The browser's address bar also displays the same URL.

Name	Price	Stock	Actions
Mint Meadow	\$5.99	20	Edit Delete
